MAKING DEMOCRACY WORK

➢ Elected Representatives (ERs) **derive their powers** for functioning **through the Constitution**.

➢ They are mandated to Attend Sessions, Raise people's Issues, Debate, Participate in Discussions and Pass legislations.

➢ The Constitution defines their powers and rules of functioning, **hence only the Constitution can provide the parameters for their monitoring**.

➢ The **Covid-19 pandemic completely disrupted public lives and presented challenges around livelihoods, health, education** and many other subjects.

➢ **Majority of municipal corporations in Maharashtra** have **completed their terms, however, elections are pending.**

➢ **Since March 2022, Brihanmumbai Municipal Corporation (BMC),** the largest corporation in the state **does not have an elected body.**

➢ In such circumstances, the **State Legislative Assembly remains the only platform to raise issues of public importance.**

Sessions conducted and MLA attendance from 12th, 13th & 14th Assembly
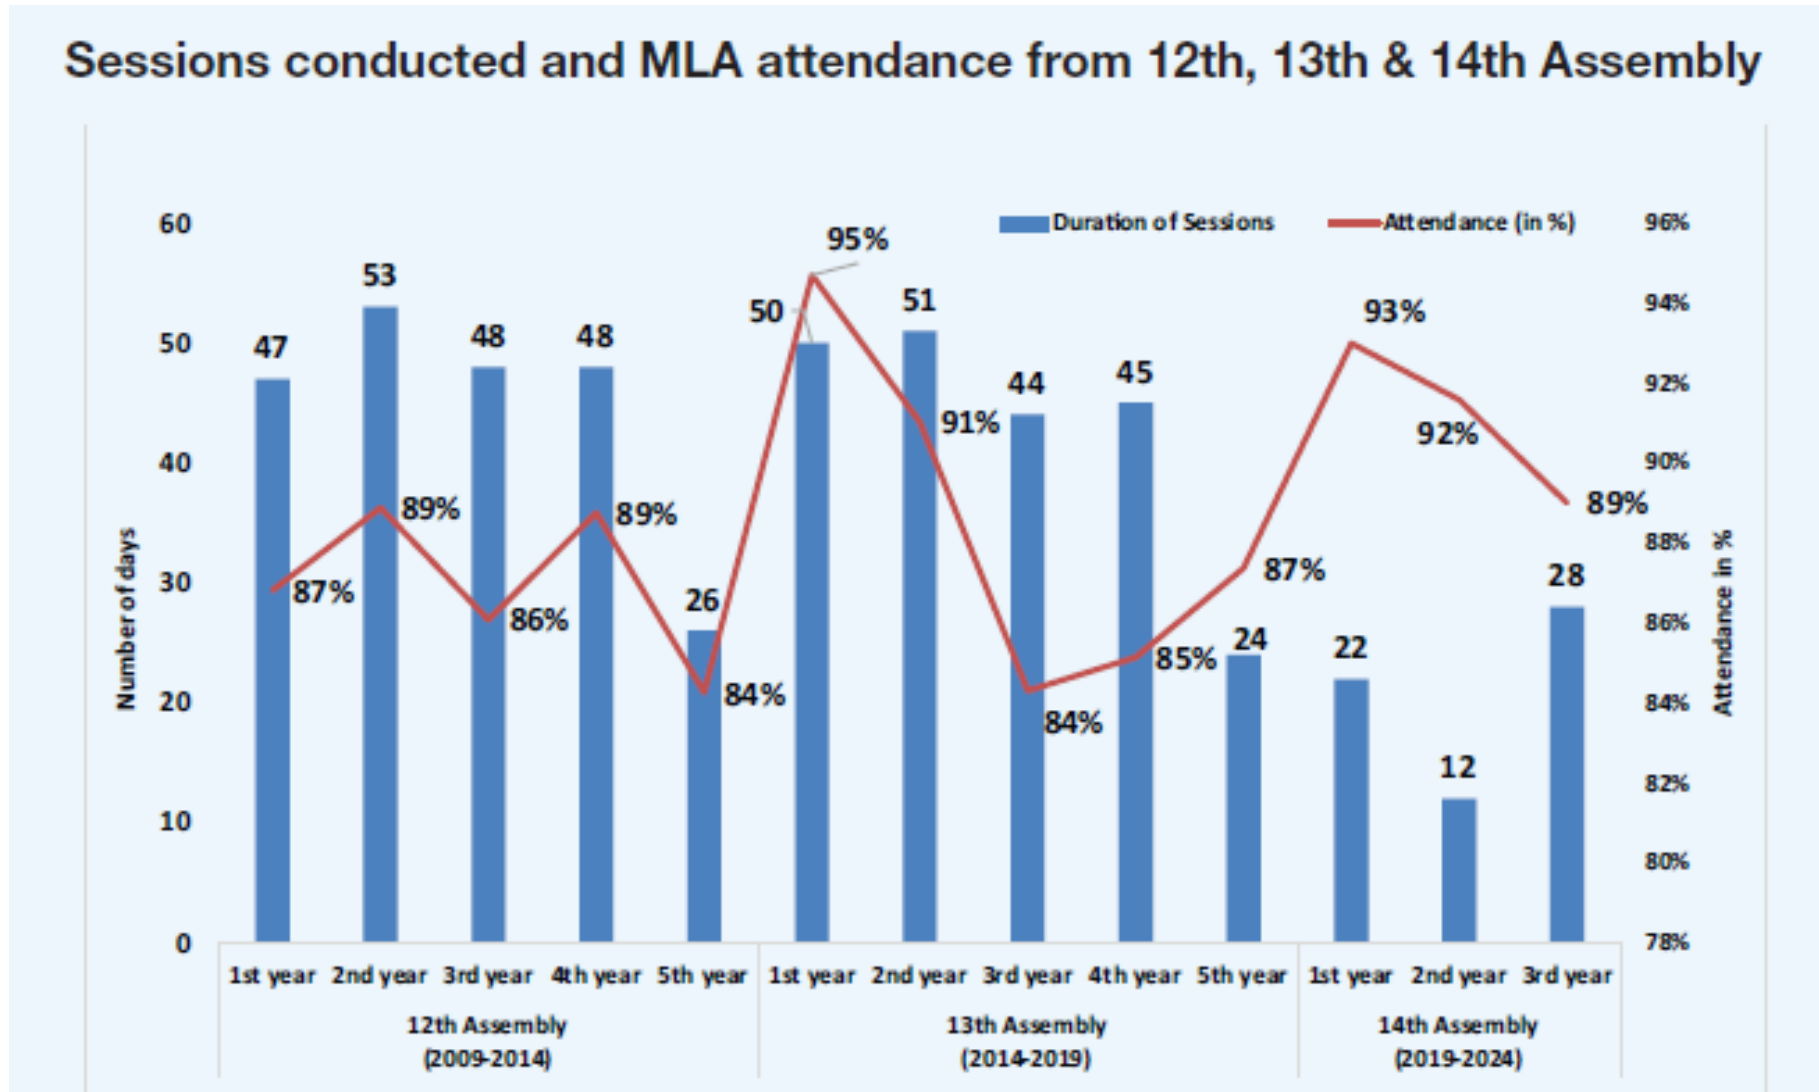

Note: When the Maharashtra Assembly is formed, it begins from October of every year. Hence for this graph, each year is calculated from a Winter session to Monsoon Session (For e.g.: 1st year of 12th Assembly is from Winter 2009 to Monsoon 2010, 2nd year is from Winter 2010 to Monsoon 2011)
