

Request for Proposal

Praja is a non-partisan organisation working towards enabling accountable governance in Mumbai and Delhi .To know more about our work and goals, please visit www.praja.org.

Praja has launched annual report cards for ranking the performance of Delhi's 272 Municipal Councillors. The report card ranks each of the Councillors on the basis of a minutely researched matrix, which takes into consideration every aspect of their performance. Each Elected Representative (ER) is aware of this report card which has triggered an improvement in the performance of many after its publication. We believe that this initiative will have far reaching consequences. For one, it will remind our elected representatives of their constitutional responsibilities. Hopefully, it will also help bring the elected representatives closer to their constituency grievances. And last but not least, it will arm the citizen with a valid scale to evaluate the performances of elected representatives.

To this end we are inviting proposals for design and print our Councillors' Report Card booklet. We will provide the proofread text (English) and photographs for it.
