

Request for Proposal

Praja is a non-partisan organization working towards enabling accountable governance in Mumbai. To know more about our work and goals, please visit www.praja.org.

Praja has launched annual report cards for ranking the performance of Mumbai's 36 MLA (Member of legislative assembly). The report card ranks each MLA based on a minutely researched matrix that considers every aspect of their performance. Each Elected Representative (ER) is well aware of this report card, which has triggered an improvement in the performance of many after its publication. We believe that this initiative will have far-reaching consequences. For one, it will remind our elected representatives of their constitutional responsibilities. Hopefully, it will also help bring the elected representatives closer to their constituency grievances. And last but not least, it will arm the citizen with a valid scale to evaluate the performances of elected representatives.

To this end, we are inviting proposals for an annual contract to design and print our MLA Report Card. We will provide the proofread text (English) and photographs for it.
