Request for Proposal

Praja is a non partisan organization working towards enabling accountable governance in Mumbai and Delhi. To know more about our work and goals, please visit www.praja.org.

Praja has launched annual report cards for ranking the performance of Mumbai's 36 MLA (Member of legislative assembly). The report card ranks each of the MLA based on a minutely researched matrix, which takes into consideration every aspect of their performance. Each ER is aware of this report card, which has triggered an improvement in the performance of many after its publication. We believe that this initiative will have far-reaching consequences. For one, it will remind our elected representatives of their constitutional responsibilities. Hopefully, it will also help bring the elected representatives closer to their constituency grievances. And last but not least, it will arm the citizen with a valid scale to evaluate the performances of elected representatives.

To this end, we are inviting proposals for an annual contract to design and print our MLA Report Card booklet. We will provide the proofread text (English) and photographs for it.
